## **Physician Assistant or Nurse Practitioner**

### **1. INTRODUCTION**

Plans, organizes, performs, and supervises troop medical care at Levels I and II. Directs 112 DA PAM 600-4 • 27 June 2007 services, teaches, trains, and supervises enlisted combat medics and performs as medical section/platoon leader or OIC in designated units. Functions as a special staff officer to the commander, advising on medically-related matters pertinent to unit readiness and unit mission. Participates in the delivery of health care to all categories of eligible beneficiaries including prescribing courses of treatment and medication when required, and consistent with his/her capabilities and privileges. In the absence of a physician, the PA/NP is the primary source of advice to determine the medical necessity, priority, and requirements for patient evacuation and initial emergency care and stabilization. Functions as medical staff officer advising the surgeon of the respective command and the commander on medical matters. Serves as commander of companies, battalions, brigades, and medical treatment facilities. See AR 40-68 for a more detailed description of duties.

### **2. DUTIES AND RESPONSIBILITIES**

- A. Physician Assistant/Nurse Practitioner: Serves as the full time medical practitioner for the UT Medical Detachment.
- B. Responsible for basic health needs and preventative medicine for unit.
- C. Responsible for unit urinalysis program. Manages the unit immunization program, physical exams, laboratory tests, pre and post entry evaluations, medical surveillance, and medical rehabilitation.
- D. Ensures command section is aware of medical section's training goals and training status/level of proficiency. Plans and executes training for the medical section that supports the commander's yearly training guidance and plan.
- E. Researches medical training courses, conferences and coordinates/plans these for unit in cooperation with operations section. Provide section training events to operations for inclusion in unit training schedules.
- F. As needed, assist operations section with planning and execution of whole unit events.
- G. Researches new medical treatment equipment and makes equipment recommendations to the command.
- H. Advises commander/deputy commander on matters of medicine, signs, symptoms, treatment and other data of agents.
- I. Provides input for medical section expenditures/budget.
- J. Focuses efforts on liaison with Dept of Health, and EMS/ Hospitals and within areas of potential response.
- K. Keep abreast of legal issues affecting the command to include NFPA 473 and HIPAA.
- L. Advises the command of any implications and COAs to consider.
- M. Ensures medical section contributes to regular revisions of unit Emergency Response Plan and Standard Operating Guidance to accurately reflect evolution of unit operations.

### **3. SUPERVISORY CONTROLS**

Receives general and specific guidance from the Medical Detachment Commander and full time Administrative Officer. Receives professional oversight from the State surgeon.

### **4. QUALIFICATIONS**

- A. Must be a graduate of the AMEDD BOLC. Must possess a baccalaureate or advanced degree from an Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) accredited PA training program or its predecessor acceptable to the Army Surgeon General. Must Possess an advanced degree from American Nurses Credential Center (ANCC) Nurse Practitioner (NP) program.
- B. Must be able to obtain and maintain a secret security clearance.
- C. Must maintain current certification by the National Commission on Certification of Physician Assistants. Meet standards of AR 135-100 and AR 135-101.
- D. Must be between 18 and 54 years of age.
